### CBIA Governance Meetings

As we wrap up 2024, CBIA's Fall Governance Meetings will focus on the conclusion of the first half of the legislative session and serve as a forum to set the policy, legal and political objectives for 2025. Meetings include Government Affairs Committee, Legal Action Committee, CBIA-PAC, California Homebuilding Foundation Board of Trustees, and CBIA Board of Directors. Also included are the Wildfire Subcommittee, Affordable Housing and Homelessness Subcommittee, and the School Bond Subcommittee meetings.

### Workforce Diversity Mixer

Building diversity in our industry starts with YOU!

Join the California Homebuilding Foundation and CBIA Professional Women in Building (PWB) for a fun and philanthropic networking cocktail hour celebrating diversity, equity, and inclusion in the homebuilding industry!

Your participation and sponsorships directly impact workforce development, education, and the advancement of professional opportunities for women, people of color, and students of all socioeconomic backgrounds in the Donald Chaiken Building Industry Technology Academy (BITA) exploring careers in homebuilding.

### CBIA Leadership Recognition Dinner

Join the members of CBIA in honoring our 2024 leadership team and our Legislator of the Year. The evening will recognize our victories and the leaders who work tirelessly to achieve success for CBIA and the homebuilding industry.
