California Building Industry Association Celebrates Assemblymember Buffy Wicks as 2024 Legislator of the Year

SACRAMENTO – The California Building Industry Association (CBIA) is proud to announce that Assemblymember Buffy Wicks, representing District 14, has been named the 2024 Legislator of the Year. This award honors her exceptional leadership and commitment to advancing policies that promote effective solutions for Housing for All in California.

“California’s housing shortage is one of the most urgent issues our state faces, and Assemblymember Buffy Wicks has been a true champion for solutions that balance community needs with our mission to support the homebuilding industry,” said CBIA President and CEO, Dan Dunmoyer. “We are honored to present her with this award in recognition of her impactful work on housing in the California State Assembly.”
